MRS. DIPALI JOSHI-JAIN_PA_A

excellent

she is the best in our department

no comments

Teaches excellently

good

sundar sunhil smart intelligent hardworking multitalented

one of the best faculty of instrumentation department
should teach us from second year itself and cover major core subjects

Best professor ever!!

One suggestion for ma'am. Whenever she dictates in class, I get confuse with the punctuations and when new sentences start. Will appreciate if ma'am dictates with proper punctuations and pauses. Overall, ma'am is the best staff I have ever come across
